In submitting a bid on a commodity other than specified, bidder shall furnish complete data and identification with respect to the commodity he proposes to furnish. Consideration will be given to bids submitted on commodities to the extent that such action is deemed to serve the best interest of the department or boards of the City of Minneapolis.

If a Bidder does not indicate that the commodity he proposes to furnish is other than specified, it will be construed to mean that the bidder proposes to furnish the exact commodity as described.

All other data is private or non-public until the City has completed negotiating the Contract with the selected Contractor. At that time, the Bids and their contents become public data under the provisions of the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13 and as such are open for public review.

Contractor will comply with all State and local audit requirements.

17 Living Wage Ordinance

The Contractor may be required to comply with the "Minneapolis Living Wage and Responsible Public Spending Ordinance" Chapter 38 of the City's Code of Ordinances (the "Ordinance") (<http://www.ci.minneapolis.mn.us/procurement/Ch38LivingWage.pdf>). Unless otherwise exempt from the ordinance as provided in Section 38.40 (c), any City contract for services valued at \$100,000 or more or any City financial assistance or subsidy valued at \$100,000 or more will be subject to the Ordinance's requirement that the Contractor and its sub-contractors pay their employees a "living wage" as defined and provided for in the Ordinance.

18 Applicable Law

The laws of the State of Minnesota shall govern all interpretations of this Contract, and the appropriate venue and jurisdiction for any litigation which may arise hereunder will be in those courts located within the County of Hennepin, State of Minnesota, regardless of the place of business, residence or incorporation of the Contractor.

By signing this Contract, the Contractor agrees that it will not represent any other party or other client which may create a conflict of interest in its representation with the City. If the Contractor is unclear if a conflict of interest exists, the Contractor will immediately contact the City representative identified as the Contract manager in this contract and ask for an interpretation.

In so far as it relates to its relationship with the City created by this Contract, the Contractor agrees to comply with the City's Code of Ethics, as codified at Minneapolis City Code of Ordinances, Title 2, Chapter 15. Contractor certifies that to the best of its knowledge all City employees and officers participating in this Contract have also complied with Title 2, Chapter 15 of that Ordinance as it related to their relationships between the City and the Contractor created by this Contract. Compliance with the Code of Ethics by the Contractor will be in its potential role as an "interested person", "lobbyist" or "lobbyist principal" and not as a "local official" or "local employee" (except to the extent that a Contractor representative or member of its board of directors is already a City official or employee). It is agreed by the Parties that any violation of the Code of Ethics constitutes grounds for the City to void this Contract. All questions relative to this section shall be referred to the City and shall be promptly answered.

23 Termination

The City may cancel this Contract for any reason without cause upon thirty (30) days written notice. Both the City and the contractor may terminate this Contract if either party fails to fulfill its obligations under the Contract in a proper and timely manner, or otherwise violates the terms of this Contract. The non-defaulting party shall have the right to terminate this Contract, if the default has not been cured after ten (10) days written notice has been provided. If termination shall be without cause, the City shall pay Contractor all compensation earned to the date of termination. If the termination shall be for breach of this Contract by Contractor, the City shall pay Contractor all compensation earned prior to the date of termination minus any damages and costs incurred by the City as a result of the breach. If the Contract is canceled or terminated, all finished or unfinished documents, data, studies, surveys, maps, models, photographs, reports or other materials prepared by the Contractor under this Contract shall, at the option of the City, become the property of the City, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to the termination.

Notwithstanding the above, the Contractor shall not be relieved of liability to the City for damages sustained by the City as a result of any breach of this Contract by the Contractor. The City may, in such event, withhold payments due to the Contractor for the purpose of set-off until such time as the exact amount of damages due to the City is determined. The rights or remedies provided for herein shall not limit the City, in case of any default by the Contractor, from asserting any other right or remedy allowed by law, equity, or by statute.

24 Ownership of Materials

All finished or unfinished documents, data, studies, surveys, maps, models, photographs, reports or other materials resulting from this Contract shall become the property of the City upon final approval of the final report or upon request by the City at any time before then. The City may use, extend, or enlarge any document produced under this Contract without the consent, permission of, or further compensation to the Contractor.

25 Intellectual Property

Unless the Contractor is subject to one or more of the intellectual property provisions in the paragraphs below, the City owns all rights, title, and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks, and service marks in any "Work" created, in progress, produced or completed and paid by this Contract. Work covered includes inventions, improvements, discoveries, databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, or other media.

All Work produced by the Contractor under this Contract will be the exclusive property of the City and will be surrendered to the City immediately upon completion, expiration, or cancellation of this Contract. The Contractor represents and warrants that the Work does not and will not infringe upon any intellectual property rights of other persons or entities.

This section is modified to provide that the Contractor is the sole owner of any software, program or application where the Contractor is providing services from a proprietary system for which the Contractor has proprietary rights.

Each party acknowledges and agrees that each party is the sole and exclusive owner of all right, title, and interest in and to its services, products, software, source and object code, specifications, designs, techniques, concepts, improvements, discoveries and inventions including all intellectual property rights thereto, including without limitations any modifications, improvements, or derivative works thereof, created prior to, or independently, during the terms of this Contract. This contract does not affect the ownership of each party's pre-existing, intellectual property. Each party further acknowledges that it acquires no rights under this Contract to the other party's pre-existing intellectual property, other than any limited right explicitly granted in this Contract.

26 Equal Benefits Ordinance

Minneapolis Code of Ordinances, Section 18.200, relating to equal benefits for domestic partners, applies to each contractor and subcontractor with 21 or more employees that enters into a "contract", as defined by the ordinance that exceeds \$100,000. The categories to which the ordinance applies are personal services; the sale or purchase of supplies, materials, equipment or the rental thereof; and the construction, alteration, repair or maintenance of personal property. The categories to which the ordinance does not apply include real property and development contracts.

Please be aware that if a "contract", as defined by the ordinance, initially does not exceed \$100,000, but is later modified so the Contract does exceed \$100,000, the ordinance will then apply to the Contract. A complete text of the ordinance is available at:

http://www.ci.minneapolis.mn.us/procurement/docs/equal_benefits_ordinance.pdf.

It is the Contractor's and subcontractor's responsibility to review and understand the requirements and applicability of this ordinance.

Contractor represents that it will protect cardholder data. Contractor will be annually certified as a PCI compliant service provider and agrees to provide evidence of said certification to the City upon request. Contractor agrees at reasonable times to provide to the City or to its assigns, the audit rights contained herein for all physical locations, systems or networks that process credit cards on behalf of the City. Contractor also agrees to provide written notice to the City of any breach of a system owned, operated or maintained by the Contractor that contains cardholder data or information.
